C G F C

Fully surrendered, Lord I will be

G F G

Faithful in service, committed to Thee

Am Em F G

Fully surrendered, oh cleanse me until

C G F C

Nothing remains but Thine own perfect will.

C G F C

Fully surrendered, what a glorious thought!

G F G

For this blessed release so long I have sought

Am Em F G

Fully surrendered, my soul can it be

C G F C

That I should be holy, obedient and free?

C G F C

Fully surrendered, it is my desire

G F G

Purge out the dross with Thy holy fire

Am Em F G

Fully surrendered, Lord hear my cry

C G F C

For Christ to live in me, I know I must die.

C G F C

Fully surrendered, Lord I will be Thine

G F G

Sanctify wholly, Spirit Divine

Am Em F G

Fully surrendered, that others may see

C G F C

Christ truly living and reigning in me.
